## NON-MEDICAL NEOPRENE FACE MASK

### INSTRUCTIONS

- Please wash with soap before using.
- Use clean hands to open the package.
- Adjust the mask to fit your nose and mouth then position the appropriate slip behind ear.
- Wash with soap and temperature  $<40^{\circ}\text{C}$  after each use.

\*Note: These are not N95 certified or FDA cleared and we are not claiming that these masks prevent illness or COVID-19.

They are not recommended for use in a surgical setting or where significant exposure to liquid bodily or other hazardous fluids may be expected.

Use of face masks is not intended to replace social distancing or hand washing.
